(Beijing-Seoul-Tokyo)

## **Internatinnal Conference on Concrete Pavement**

## **Invitation**

It is with great pleasure that we host the 7th BESETO (Beijing-Seoul-Tokyo) 2023 International Conference on Concrete Pavement. The BESETO 2023 is held from August 1 to August 3, 2023, at GangNeung in Korea. This event is organized by the Korean Committee of BESETO and is sponsored by the Korea Institute of Civil Engineering and Building Technology, Chung-Ang University, GangNeung-Wonju National University, and Korea Expressway Corporation. Specialists and experts from China, Korea, and Japan participate in this conference. The BESETO 2023 is designed to provide an in-depth discussion field for concrete pavement experts to share their wisdom and knowledge about state-of-the-art research technologies and experiences. The BESETO 2023 is filled with special and general presentations, technical tours as well as opportunities for social gatherings. We sincerely thank you for your participation and we hope you enjoy the conference.
